

**Philosophy Doctoral School**  
**University Pécs, Hungary**

Pécs, August 18, 2020

**Teaching program**  
**2020/21 Fall Term**

This is an annex of the rule of the Doctoral School.

There are every week online seminars on MS Teams.  
For this Semester the seminars and classes take place on the MS Teams page Filozófia I.

Students with MA in philosophy have individual programs. Students with non philosophy MA should participate in person on online seminars and should fulfill the tasks.

English speaking students have their seminars in English. Hungarian students can follow seminars in both languages.

There are two online classes obligatory:  
History of Philosophy  
Philosophy  
each 1,5 hours online

The exact hour of the two seminars is communicated separately.

The Filozófia I. is valid of 30 credits.

Necessary work: participating in the seminars. Two essays 3-5 pages, one in history of philosophy, one in philosophy. The topic should be discussed with the chosen teacher directly. Deadline November 30.

**Research Seminars in English**

Tuesday 18h-19.30h  
Janos Boros and Tamas Demeter, *Hume and Kant*

Further Research seminars with the teachers of the school.

Saturday (September 26, October 10, November 14)  
common study program with philosophy lectures in Hungarian.  
Personal presence in Pécs. In case of Covid necessity online.
